### **How to get to the conference venue**

#### ***Arriving by air:***

There are three airports in Berlin: Tegel (TXL), Schönefeld (SXF), and Tempelhof (THF). Most international flights arrive at Tegel or Schönefeld. Both airports can be reached by public transportation. From Tegel Airport, take the Airport Express Bus X9 to Station Zoologischer Garten, locally also known as Station "Zoo" (Bahnhof Zoo). From Schönefeld Airport, take the metropolitan train (S-Bahn, marked by green "S" signs) S 9 to Station Zoologischer Garten. From Station Zoo, you can either take a taxi or use public transportation to get to your hotel. The section on [hotel information](#) below explains about how to get to each hotel from Station Zoo.

#### ***Arriving by train:***

All trains arrive or stop at Station Zoologischer Garten, locally also known as Station "Zoo" (Bahnhof Zoo). From Station Zoo, either take a taxi or use public transportation to get to your hotel. The section on [hotel information](#) below explains about how to get to each hotel from Station Zoo.

#### ***How to get to the conference venue:***

If you travel by public transportation, take either the subway train no. 1 (U-Bahn in German, marked by blue "U" signs), or bus no. 110. Exit at the station "Thielplatz", which is just a few meters from the [Henry Ford Building](#). Once you arrive at Thielplatz station on 5 December, there will be signs guiding you from the subway/bus station to the conference location.

You will also find details on transportation specific to your hotel in our [hotel information](#) below.

### **Conference schedule and format**

A short version of the conference programme is available for download from the [programme](#) section of this website. The registration desk will open on Friday, 5 December at 8.00 a.m. The conference begins at 9.00 a.m. and will end on Saturday, 6 December at 6.30 p.m. We will have both plenary and panel sessions. Panels will last 105 minutes each. Most panels will consist of three presentations, followed by a discussion.

### **Submission of completed papers/Proceedings**

We encourage presenters to submit their papers in advance to post them on the conference website. If you do not wish to submit your paper in advance, please bring a copy to the conference. Please refer to our guidelines for submissions.

### **Registration fee**

Registration fees can be paid either in advance (Euros 100/Euros 25 reduced) or at the conference desk (Euros 130/Euros 25 reduced), as indicated in the registration form. In order to assist our planning in preparing programme folders, catering etc., it would be appreciated if all participants registered by fax as early as possible.

### **Visa**

For a formal invitation letter for visa purposes, please contact us at [BC2003@zedat.fu-berlin.de](mailto:BC2003@zedat.fu-berlin.de)

### **How is the weather**

Temperatures are rather low in December, quite often as low as between 0°C and 5°C (between 32°F and 41°F). Snowfall in early December is quite unlikely, but still a hypothesis with some degree of plausibility that has been verified at times in the past.
