Programme		Friday, December 3rd 2004 Berlin Conference
8:00 -	9:00	Registration
9:00 -	10:30	Panel Session 1
10:30 -	10:45	Coffee & Tea
10:45 -	12:30	Greening of Policies: The Challenge of Climate Change
Plenar	Hall	Helmut Keupp, Vice President, Freie Universität Berlin Address of welcome
Plenar Hall		Jürgen Trittin, Federal Minister for the Environment, Nature Conservation and Nuclear Safety, Berlin Combating Climate Change and the Greening of German Energy Policy
		Olivia Castillo, President of the Asia Pacific Roundtable for Sustainable Consumption and Production, APRSCP Role of Business and Asian Countries in Climate Change Policies
		Richard Odingo, Vice Chairman of the IPCC; Department of Geography, University of Nairobi Adapting to Climate Change in African Countries
12:30 -	14:00	Lunchbreak
14:00 -	15:30	Teaching Sustainable Development
Plenar	Hall	Klaus Jacob, Conference Chair, Environmental Policy Research Centre Introduction to the Conference
		Michael Maniates, Associate Professor of Political Science and Environmental Science at Allegheny College, Meadville, Pennsylvania Between Two Stories: Teaching and Learning at an Awkward Moment
		Nicholas Ashford, Director, Technology and Law Program, Massachusetts Institute of Technology, Cambridge Major challenges to education for environmentally-sustainable development: what has to change to make it creative, effective, and acceptable to the established disciplines
15:30 -	16:00	Coffee & Tea
16:00 -	18:00	Panel Session 2
Programi 8:00 -	me 9:00	Saturday, December 4th 2004 Berlin Conference Registration
	9:00	·
8:00 -	9:00	Registration
8:00 - 9:00 -	9:00	Registration Panel Session 3
8:00 - 9:00 - 10:30 -	9:00 10:30 10:45 12:30	Registration Panel Session 3 Coffee & Tea
8:00 - 9:00 - 10:30 - 10:45	9:00 10:30 10:45 12:30	Registration Panel Session 3 Coffee & Tea Governance, Institutions & Interlingages Guy B. Peters, Maurice Falk Professor of American Government; Michigan State University, Pittsburgh
8:00 - 9:00 - 10:30 - 10:45	9:00 10:30 10:45 12:30	Registration Panel Session 3 Coffee & Tea Governance, Institutions & Interlingages Guy B. Peters, Maurice Falk Professor of American Government; Michigan State University, Pittsburgh Horizontal Policy Management: Necessary but Difficult Frans Berkhout, Chair, IHDP-IT Scientific Steering Committee; Director, Institute for Environmental Studies, Vrije Universiteit Amsterdam
8:00 - 9:00 - 10:30 -	9:00 10:30 10:45 12:30	Registration Panel Session 3 Coffee & Tea Governance, Institutions & Interlingages Guy B. Peters, Maurice Falk Professor of American Government; Michigan State University, Pittsburgh Horizontal Policy Management: Necessary but Difficult Frans Berkhout, Chair, IHDP-IT Scientific Steering Committee; Director, Institute for Environmental Studies, Vrije Universiteit Amsterdam Environmental Policy Integration and Ecological Modernisation Oran Young, Chair IDGEC Scientific Steering Committee; Bren School of Environmental Science and Management University of Californi Santa Barbara
8:00 - 9:00 - 10:30 - 10:45 Plenar	9:00 10:30 10:45 12:30 Hall	Registration Panel Session 3 Coffee & Tea Governance, Institutions & Interlingages Guy B. Peters, Maurice Falk Professor of American Government; Michigan State University, Pittsburgh Horizontal Policy Management: Necessary but Difficult Frans Berkhout, Chair, IHDP-IT Scientific Steering Committee; Director, Institute for Environmental Studies, Vrije Universiteit Amsterdam Environmental Policy Integration and Ecological Modernisation Oran Young, Chair IDGEC Scientific Steering Committee; Bren School of Environmental Science and Management University of Californi Santa Barbara Institutional Interplay: Achievements and Challenges Lunchbreak
8:00 - 9:00 - 10:30 - 10:45 Plenar	9:00 10:30 10:45 12:30 Hall 14:00 15:45	Registration Panel Session 3 Coffee & Tea Governance, Institutions & Interlingages Guy B. Jordan, Philip Leverhulme Prize Fellow, School of Environmental Sciences, UEA, Norwich

A: Integration &	Scope of Policy Integration (Chair: Axel Volkery)			
Innovation	Helen Briassoulis	Policy integration for complex policy problems: what, why and how		
Room A	Evert Meijers, Dominic Stead	Policy integration: what does it mean and how can it be achieved? a multi-disciplinary review		
	Derk Loorbach	Governance and transitions. an integrative policy-framework based on complex systems thinking.		
D. National 0	Delian Integration in the Furance I	Union (Chair, Christian Hay)		
B: National &	Policy Integration in the European	Union (Chair: Christian Hey)		
Regional	Magalie Bourblanc	The multi-level integration of policies : linear or circular movement ?		
Plenar Hall	Rolf-Ulrich Sprenger	Integration of environmental and employment policies: assessment of the eu experience to date		
	Clare Coffey, Ann Dom	Environmental policy integration in europe: looking back, thinking ahead		
C: Indicators &	Impact Assessment 1 (Chair: Stefar	nie Pfahl)		
Assessments	Duncan John Russel	The environment test and policy integration: a new dawn or a false start?		
Room C	Lise Frendo, Edwin Zaccaï	Integration at local level: lessons learned from the environmental impact assessment (eia) system in the		
Koom C	Jan-Peter Voß	walloon region (belgium) Policy integration through foresight		
	J. Ivan Scrase, Willam R. Sheate	Strategic environmental assessment (sea): will sustainability be weak enough to dilute it?		
D: Agriculture,	Agriculture (Chair: Keya Choudhury	y)		
Biodiversity & Water	Peter H. Feindt	Greening european agricultural policy – multi-level strategies between trade, budget, agricultural and		
Room D	Benjamin Nölting	environmental policy Analysing the institutional setting – how to promote the organic farming und food sector?		
	Michael Søgaard Jørgensen	Policy integration in the shaping of organic food as strategy in the danish food sector – what happened to the environmental concern as driving force		
E: Resources &	Primary Resources (Chair: Per-Olof Busch)			
Waste	Zingerli, Bisang, Zimmermann	Challenges of policy integration: intersectoral coordination in international and national forest policy		
Room E	Späth, Weber, Rohracher, Oehme	Policy coordination to support a transition to sustainable production systems. Lessons to be learned from the		
	A. Laakso, E. C. H. Keskitalo	case of biorefineries in austria Multi-level governance in renewable resource industries in norway and finland		
F: Energy &	USA, EU and Russia (Chair: Sascha	a Müller-Kraenner)		
Climate Change	Heike Schroeder	Implementation without ratification: vertical interplay and the case of california's climate change policy		
	Vladimir Kotov	EU-Russia "kyoto deal": a case of policy integration? analyses of advantages and risks of an informal		
Room F	Alexander Ochs, Detlef Sprinz	agreement Europa riding the hegemon? transatlantic climate policy relations		
G: Interplay	International Organizations: Enviro	nment and Development (Chair: Fariborz Zelli)		
	Steffen Bauer, Frank Biermann	Partners or competitors? Policy integration for sustainable - development between united nations agencies		
Room G	Markku Lehtonen	International peer review as a tool promoting policy integration: the case of the oecd environmental performance reviews		
	Ralph A. Luken, Tamas Grof	The Montreal Protocol's Multilateral Fund and Sustainable Development		

A: Integration &	Fostering Innovations: Policies I (Chair: Frans Berkhout)				
Innovation	Maj Munch Andersen	The innovation system approach to eco-innovation – a new policy rationale			
Room A	Tim Foxon, Zen Makuch, Macarena Mata, Peter Pearson Reinhard Steurer	Towards a sustainable innovation policy – institutional structures, stakeholder participation and mixes of policy instruments' Strategic public management (spm) as holistic approach to policy integration			
B: National &	National Policy Integration 1 (Chair:	Claudia Koll)			
Regional					
•	Ashok Sharma	Reverse integration of environmental concerns into sectoral policies through simulation of greener development plans: a situational analysis from india			
Room B	Ralph A. Luken, Paul Hesp	Developing and transition economy efforts to achieve policy integration for sustainable development			
	Gökhan Orhan	Centralised regulation, involvement of local people, leadership of key policy actors or all? Conditions of successful environmental policy integration in turkey			
	Rob Ball	Cultural and organizational issues for sustainable development in local authorities			
C: Indicators &	Impact Assessment 2 (Chair: Jan Peter Voss)				
Assessments	D.Wilkinson, A.Volkery, K.Jacob, M.Bartolomeo, J.Hertin	Ex-ante sustainability appraisal of national-level policies: a comparative study of assessment practice in seven countries			
Plenar Hall	Camilla Opoku, Andrew Jordan	How well is the EU's impact assessment procedure performing: policy coordination and sustainable development outside europe			
	E. Carina H. Keskitalo	Institutional learning in IA? What we assume on the communicative process			
	Bleischwitz, Latsch	Assessment criteria for a sustainability impact assessment in europe			
D: Agriculture,	Biodiversity (Chair: Katharina Voß)				
Biodiversity & Water	Zuhre Aksoy	Conserving genetic resources: linkages between local, national, and international levels			
Room D	Mark Axelrod	Chilling international cooperation: constraining new institutions with old institutional rules			
	Stefan Jungcurt, Thomas Meyer	Ambiguity and contradiction: strategic instruments for international agreements			
E: Resources &	Renewables (Chair: Bernd Hirschl)				
Waste	Ruth Brand	Networks in renewable energy policies in germany and france			
Room E	Joseph Szarka	Wind power, discourse coalitions and policy integration			
Room E	Joseph Szarka M. Bechberger, D. Reiche	Wind power, discourse coalitions and policy integration The spread of renewable energy feed-in tariffs (refits) in the EU-25			
Room E					
Room E F: Energy &	M. Bechberger, D. Reiche	The spread of renewable energy feed-in tariffs (refits) in the EU-25 Wind Power Policy in Australia: An Uncertain Future			
	M. Bechberger, D. Reiche Andrea Bunting	The spread of renewable energy feed-in tariffs (refits) in the EU-25 Wind Power Policy in Australia: An Uncertain Future			
F: Energy &	M. Bechberger, D. Reiche Andrea Bunting Energy and Electricity (Chair: Lutz N	The spread of renewable energy feed-in tariffs (refits) in the EU-25 Wind Power Policy in Australia: An Uncertain Future			
F: Energy &	M. Bechberger, D. Reiche Andrea Bunting Energy and Electricity (Chair: Lutz Modern Bauknecht	The spread of renewable energy feed-in tariffs (refits) in the EU-25 Wind Power Policy in Australia: An Uncertain Future Wez) Electricity policy integration: the role of market regulators			
F: Energy & Climate Change	M. Bechberger, D. Reiche Andrea Bunting Energy and Electricity (Chair: Lutz Marche Bauknecht Atle Midttun	The spread of renewable energy feed-in tariffs (refits) in the EU-25 Wind Power Policy in Australia: An Uncertain Future Mez) Electricity policy integration: the role of market regulators Green Electricity Markets: Market Design, Entreprenurial Discovery And Political Legitimacy Environmental policy integration as learning: the case of swedish energy policy Social capital for energy efficiency: the need of partnership for policy integration and implementation in the
